Australian electoral systems: origins and variation	3
Studying the operation of Australia's electoral systems	7
Locating preferential electoral systems in Australia	13
Assessing Australia's electoral systems	17
Two Australia's electoral systems, 1902–83	21
Early debates over electoral system design	23
The 1902 Commonwealth Electoral Act	29
The adoption of AV for the House of Representatives	36
Reform of the Senate electoral system, 1918–83	40
Conclusion: accident and intent in electoral system design	45
Three Australia's contemporary electoral systems	47
Australia's evolving electoral systems	49
The alternative vote and its variants	52
The single transferable vote and its variants	57
Australia's experiments with alternatives to AV and STV	68
Conclusion	76

Four	Preferential systems and their consequences	78
	AV as a non-proportional system	80
	STV as a proportional system	83
	Preferential systems and the fate of individual candidates	91
	Conclusion	100
Five	The voter versus the party	102
	Party service among election candidates	106
	Candidates' views of their representative roles	110
	Campaign activity by Australian parliamentary candidates	113
	Conclusion	119
Six	Compulsory voting, party control and the voter	121
	Compulsory voting in Australia	122
	Preferential voting and the strategic voter	126
	Ticket voting and the 'preferential voter'	133
	Compulsion, complexity and voter engagement	138
	Conclusion	145
Seven	Preferential systems and voter satisfaction	147
	Ballot structure and democracy	149
	Preferential systems and voter satisfaction with democracy	155
	Electoral systems and political attitudes	158
	Conclusion	164
Eight	Preferential voting and electoral system design	166
	The politics of electoral system design	167
	Variations in electoral system families	169
	Electoral and behavioural consequences	171
	From innovation to stagnation: electoral system design	174
	Where to now?	178
