**THE SECRET SEX LIFE OF A SINGLE MOM****DELAINE MOORE**

For seven years, Delaine Moore devoted herself to being the perfect wife and stay-at-home mom. She prided herself on putting her family's needs before her own, including keeping her husband happy with plenty of sex—even though her own sex drive was completely nonexistent. Then, one day, she finds out about his infidelities, and suddenly she finds herself in a new role: 37 years old, mother of three...and going through a divorce. In the midst of this emotional turmoil, Moore discovers that her long-dormant libido has suddenly come alive—and, surprising even herself, she decides to listen to what it's saying.
